Hi All,

Great news. Kelly Gable, from ORC in EPA Region 3, has been assigned as our attorney for OR CZARA 6217. We met with her this afternoon and learned that she has extensive experience in the Water programs (even TMDLs--she is EPA's attorney on the Chesapeake TMDL!).

I gave her your names and invited her to our upcoming meetings. She will be working from Philadelphia so those of you from the east coast should have no worries.

I already gave her a copy of the settlement agreement with attachments and the attached list of commitments [attachment "SA and Exhibit A Schedule.xlsx" deleted by Stephen Sweeney/DC/USEPA/US]

What other documents do you believe would be useful for Kelly?

I thought of providing her with our consolidated list of conditions and rationales, the 1998 Conditional Approval Letter. [attachment "OR 6217 draft compiled interim dec doc.docx" deleted by Stephen Sweeney/DC/USEPA/US] [attachment "1998 Conditional Approval Letter & Doc.pdf" deleted by Stephen Sweeney/DC/USEPA/US] and Record of Decision but could not locate an electronic copy.

Of course, she should have Nina's recent correspondence:

Other other documents? Your thoughts on what else Kelly would find helpful?

Cheers,

Jayne
